

## **Ashraf Dehlawi, PSM, CPLQM, H(ASCP), AMT**

### **Director of Regulatory Affairs**

Ashraf joined Morphogenesis, Inc., in 2013. He holds a Professional Science Master's degree in Biotechnology with a Graduate Certificate in Bioinformatics from the University of South Florida in Tampa. Ashraf is a certified Medical Technologist (Clinical Laboratory Scientist) by the American Medical Technologists (AMT), the American Society for Clinical Pathology (ASCP) with a specialty in Hematology, and by the Florida Department of Health as a Medical Technologist in Hematology. He joins Morphogenesis with approximately 10 years of Clinical Laboratory, technical and management experience. He is also certified as a Clinical Laboratory Quality Manager by the University of British Columbia. His prior professional appointments include Product Management at Abbott Laboratories' Diagnostics Division. Ashraf was named an ASCP 40 under 40 honoree in 2014, an international program that recognizes the future generation of laboratory leaders. Ashraf joined the Morphogenesis' team in the capacity of Chief Clinical Officer as a liaison between Morphogenesis, Inc. and the Company's clinical trial sites to ensure
