

Sarah Falsafi, PSM, AMT

Quality Assurance Officer

Sarah holds a Professional Science Master's degree in Biotechnology from the University of South Florida in Tampa. She is a certified Clinical Laboratory Technologist by the American Medical Technologists (AMT), and by the Florida Department of Health as a Medical Technologist in Immunohematology, Microbiology, Hematology, Clinical Chemistry, and Serology. After 5 years of working as a transfusion services technologist, she joined Hoppe Regulatory Consultants as a clinical study monitor and progressed into quality assurance and regulatory affairs. As a part of her graduate degree, she had quality management training as an intern at Morphogenesis in 2016 and a year later she joined the Company.
